

Special Education Parent Advisory Group (SEPAG)

What is SEPAG?

Is your child a different learner? Does he or she have an IEP, a 504, or receive other special services through the special education department? Then we are delighted to be able to invite you to become more active in your child's education. We are looking for ways to involve parents as much as possible in the life of the school. To this end, we invite you to join our Special Education Parents' Advisory Group (SEPAG) which gives parents the opportunity to provide input and advice to the school regarding matters pertaining to students with disabilities.
